HAPENYS

Put your party on the map.

HAPENYS is a guide to public queer events in New York City.

A free listing sends people to the official event page you choose.

HAPENYS

A free listing for your public event

Send the official event or ticket link.

We check the date, time, public location and entry rules.

People who find your event on HAPENYS follow your link for details or tickets.

HAPENYS

Your banner,
with your permission

You choose which artwork we can show.

Tell us which file we may use, how you want it credited, and where and when we can show it.

Use the organizer form anytime to request a change or removal.

HAPENYS

Optional automatic calendar updates

Choose the official public schedule or feed we can use.

With your permission, HAPENYS can publish eligible dates and routine updates from that source.

You can ask us to pause automatic updates or switch sources at any time.
